&
THE KANSAS DEPARTMENT OF TRANSPORTATION
KCA/KDOT Excellence in Partnering Awards for 2021**

The purpose of this award is to recognize real excellence in Partnering. Components of the awards program are as follows:

1. Nominations submitted for the KCA/KDOT Partnering Award program will be categorized by the District in which the project occurred and considered for an award in the respective District. There will be two levels for awards in each of the six districts based on dollar volume of project, plus one statewide award (Best of the Best) for a project at large chosen *from those winners*:
 - Less than \$1.5 million
 - \$1.5 million and over
2. Submittal deadline for nominations is Tuesday, January 4, 2022.
3. A project must be at least 80% complete as of December 1, 2021 to be eligible.
4. It is important to provide specific examples of partnering on the project. (i.e. Effectively resolved plan issues or combined phasing from three parts to two.) Criteria for determining winners include:

(a) Communications/Teamwork	(e) Quality of Construction
(b) Safety	(f) Innovations
(c) Trust in Partner	(g) Timely Completion
(d) Prompt Decisions	(h) Problem Solving
5. Awards will consist of Plaques or Certificates recognizing the prime contractor, subcontractors, owner, consultants, and KDOT construction office for each winning project and award presentations will be announced at the annual KCA convention and presented at District Partnering functions.
6. Choose the statewide project winner from *ALL* the submissions and note that it is to be considered for statewide consideration as well as for the district award. If it is not chosen for the statewide award, it will default to the District award level (provided the most votes support it.)
7. ***Please provide any photographs of the project*** and issues dealt with in this submission form.
8. A separate nomination form will be needed for each project nominated and is to be completed jointly by the contractor and KDOT. A copy of the nomination form is enclosed. Additional forms are available on KCA and KDOT's web pages or you may contact the KCA office or area KDOT office.

NOTE: Please remember the filing deadline is Tuesday, January 4, 2022. This cut-off date is necessary in order for the judging committee to review the nominations and determine the winners so they can be announced at the KCA Convention.
